| Text reflects current Maricopa County code with no changes.                                                                                                                                                                                                                       | The text with no changes.                               | The surface of the pool water shall be kept free of scum and floating debris |
| Maricopa County <b>adopted</b> current ADEQ/ADHS Rules for bathing places.                                                                                                                                                                                                        | The text is underlined only.                            | " <u>Diving equipment shall have a durable finish.</u> "                     |
| Maricopa County <b>added</b> new and original text. These changes were made because they have a significant impact on public health and safety.                                                                                                                                   | The text is underlined and highlighted.                 | " <u>The emergency shut-off switch must be clearly labeled.</u> "            |
| Maricopa County <b>deleted</b> current Maricopa County code.                                                                                                                                                                                                                      | The text is struck through and highlighted.             | " <del>admission to which may be gained by the general public</del> "        |
| Maricopa County <b>revised</b> current ADEQ/ADHS code for any of the following purposes: <ul style="list-style-type: none"><li>- To be more stringent,</li><li>- To correct sentence structure, or</li><li>- To be consistent with previous wording, sentence, or text.</li></ul> | The text is underlined, struck through and highlighted. | " <del>swimming pool</del> "                                                 |
